SUNDAY NOVEMBER 5, 2023

At Fullerton Arboretum

1900 Associated Rd, Fullerton, CA 92831

The OCCC was launched as part of the city of Anaheim's Anti-Gang/Drug Taskforce in 1993, recognizing a need to reach and serve Anaheim's at-risk youth. In the past 30 years, we have served over 10,000 young adults, ages 18-26. As 1 of 14 local conservation corps in the state, our mission is to serve the most vulnerable young adults who come from Orange County's disinvested communities needing education, job skills training, career pathways, and wrap-around services. Corpsmembers earn a paycheck and work on environmentally-driven projects that directly benefit the residents of Orange County. Today, our Corpsmembers need our assistance more than ever! Currently, 19% of our Corpsmembers are Re-Entry, 30% are Homeless and 99% are Food Insecure.
